The RNRMC will remove you from any other scheme you may be currently paying into, including Royal Navy Voluntary Donation from Pay (RNVDP) and Voluntary Sport Subscription Scheme (VSSS).

I agree that my donation shall be dealt with in accordance with the contract between the Ministry of Defence, Royal Navy and the approved agency for the Payroll Giving Scheme. I authorise JPA to deduct the agreed monies from my gross pay and pay it through the authorised military agent to the RNRMC (Registered Charity in England and Wales No. 1117794 and Registered in Scotland No. SC041898) for the benefit of serving or former Naval Personnel and their families.

PAYROLL GIVING

TO GIVE MORE, WE NEED TO RAISE MORE

Payroll Giving simply means making a regular donation out of your monthly pay. We're asking for a minimum of £6 a month; if you can manage more, that's great! It comes out before tax, so for a basic rate tax payer, your £6 donation will only cost you £4.80. Your donation now includes sports insurance; therefore if you're in VSSS we will automatically cancel this, saving you a further £1 a month!

No doubt, you are familiar with the amazing work the RNRMC does, to give a better quality of life for serving and former naval personnel and their families.

For more information about Payroll Giving or to book a presentation, please contact:
